MEMORANDUM FOR:

SUBJECT : Forwarding of Sensitive Papers

1. Attached are copies of several papers prepared for the Director's use. These include a brief analysis of the status of the Paris talks, and a supporting paper outlining the chronological evolution of salient features of the talks and related matters. These two papers are extremely sensitive and draw on the reporting on the talks. These papers were discussed with Mr. Vance by and Mr. Vance requested they be forwarded to Paris for his and Governor Harriman's background reading. The Director has approved the forwarding of this material and requests that it be pointed out to the readers that they were prepared in his office where that restricted material is retained.

2. The other papers may be used as you see fit.
